

NOTES OF PRAISE

Hope Church, Pitulicea, Buzău County, ROMANIA

April 20, 2014

Peace and grace to you!

I thank the Lord for each and every one of you who spend time in prayer for us.

I have had a difficult year so far.

My father has been very sick, he went through a hard surgery, but praise to Lord for he is now well. There were also some problems in my church with some brothers and it hurt a lot seeing how they are raising one against another and against me.

But I also had my part of joy!

The groups that are meeting in people's homes are going very well. The people are more active and willing to worship, and God works in their hearts in multiple ways.

Last week we had a night of evangelism in the Church of Pitulicea, and a lot of non-christians took part. The subject of our meeting was: "Together for life!" We prayed together and we shared testimonies of the way God has worked in our lives. After this event, there are 11 people for who I pray daily and spend time with them in Bible Study.

Prayer requests:

First of all, please pray for myself, because I need to be faithful to the vision I received from the Lord. For this, I need more wisdom and encouragement.

As a church, we have big plans for the children's mission this year. We have scheduled camps, visits, weekly meetings and Bible studies where they can attend. We are praying for this ministry and I ask you to pray with us.

Also, please pray for the people that have heard the Gospel this last week. Pray that they will come to know the Lord and accept Him as King.

I thank the Lord for you and your faithfulness!

May He bless you!

Pastor Marian Jipa
