Praise needs more **VOLUNTEERS!**
Simple graphic design, correspondence, writing, translation in French, Romanian, Russian, etc. You can do it from your home.

Pastor Sophonie is one of many national pastors who need our prayer and support right now.

Mali is difficult. Primarily Muslim country, political turmoil. Famine and food shortage.

Christians are often persecuted, at times women are raped and churches burnt.

Pastors travel between villages. Roads are long, hot, bumpy and dusty. Need for a motorcycle.

Pastor Dembélé seriously needs a sponsor. Will you sponsor him for only \$35/month?
